Waterbirds around the world. The Stationery Office, Edinburgh, UK. 960 pp.

Names used for geographical entities do not imply recognition, by the organisers of the *Waterbirds around the world* conference or other supporting organisations or governments, of the political status or boundaries of any particular territory. Names of territories used (and any alternatives) are included solely to help users of this publication apply information contained within this volume for waterbird conservation purposes. The views expressed in papers included within this volume do not necessarily represent views of the editors or the organisations and governments that supported the conference and this publication.

Cover photography: Whooper Swans *Cygnus cygnus* arriving at Martin Mere, England. Photo: Paul Marshall.

Geographical index

Page numbers relate to the first page of each paper within which the relevant country or territory is mentioned. Page numbers in bold indicate illustrations of the places concerned within the indexed paper. Generally indexing has been undertaken to the level of countries, although a few major sites within countries have also been included, especially where these are the subject of several papers.

Adriatic Sea	560
Afghanistan	285, 287, 292, 562, 624, 690
Albania	350, 493
