Agenda for meeting on 12th September 2014

Mary Sumner House, 24 Tufton Street, Westminster, SW1P 3RB
1400 - 1630

1. Welcome and introductions by Chair – Chris Gilligan JNCC
2. Update on actions from the last meeting.
3. UKOT data access project
 - a) Paper 1: UK Overseas Territories Biodiversity Data Access Project – *Discussion paper*
4. Paper 2: Report on proposed priority actions for the UKOTs/CDs. collated and previously circulated by UK Overseas Territories Conservation Forum – Mike Pienkowski.

This paper provides a starting point for discussing whether we can reach some shared framework of priorities to inform Britain-based bodies support for conservation in UKOTs/CDs. Those who contributed to this paper may want to comment, but the main purpose of this item is an open discussion by all on next stages. Participants are encouraged to read this context paper in advance as, in order to save time for discussion, it is not envisaged that its content will be presented at the meeting.
5. *Update on Defra gap analysis – Clare Hamilton*
6. *Paper 3: Life Lionfish project update. Information paper*
7. *Update on Gibraltar conference – UKOTCF: Mike Pienkowski*
8. *AOB – date of the next meeting.*
