

MPA mapper webGIS Terms and Conditions

By using this site you are agreeing to be bound by the following Terms & Conditions.

These terms do not apply to the GIS datasets available for download from http://jncc.defra.gov.uk/protectedsites/SACselection/gis_data/terms_conditions.asp. Re-use of those datasets is covered by the Open Government Licence.

1 Use of the MPA mapper webGIS

Rules governing your use of the MPA mapper webGIS.

- 1.1 The MPA mapper webGIS is an Internet based data delivery service. The Joint Nature Conservation Committee (JNCC) controls the availability of data on the site. Anyone can use the MPA mapper webGIS but their use will be bound by these terms and conditions.
- 1.2 You must not use or attempt to use any of the information on this site to deliberately damage the natural environment.
- 1.3 You must not try to circumvent the security features of this website, or tamper with, hack into, or in some other way disrupt or disable any computer system, server, website, router or other device used to host this site or make it available.

2 Use of Material, Data and Information

Rules governing your use of any material, data and/or information made available to you through the MPA mapper webGIS.

- 2.1 All material, data and information on this website are protected by copyright, database rights and other intellectual property rights. If you access and use any of the material, data and/or information made available to you on this site, you do so subject to these MPA mapper webGIS Terms & Conditions.
- 2.2 Under these MPA mapper webGIS Terms & Conditions you are permitted to view any material for your own private use or for use in the ordinary course of your business provided that use is in accordance with these MPA mapper webGIS Terms & Conditions.
- 2.3 You are permitted to use and copy the data available for download in accordance with these MPA mapper webGIS Terms & Conditions.
- 2.4 You acknowledge that the data available for download has not been prepared to meet your individual requirements and therefore it is provided to you on an 'as is' basis. It is your responsibility to ensure that the data is fit for your intended use.
- 2.5 Any information product or publication that you make which contains any part of the material, data and/or information made available to you via this website must contain the following statement that JNCC bears no liability for any further analysis or interpretation of that material, data and/or information:

JNCC accepts no liability for the use of this data or for any further analysis or interpretation of the data.

- 2.6 Maps available on the webGIS are not suitable for navigation.

3 Accuracy of Information and Disclaimer

- 3.1 JNCC will use reasonable endeavours to ensure that any material, data and/or information on this website that has not been supplied by a third party is accurate, but we make no representation and give no warranty that any material, data and/or information is accurate, up to date or complete. We accept no liability for any loss or damage caused by inaccurate, out of date or incomplete material, data and/or information.
- 3.2 JNCC takes steps to maximise the quality of the material, data and/or information they make available to you through the MPA mapper webGIS but give no warranty that it is accurate, up to date or complete. If appropriate, we will provide a statement that will reasonably allow a user to understand the nature of and reason for any doubts (or possible doubts) about the accuracy of the information or materials.
- 3.3 You should independently verify any material, data and/or information on this website before relying upon it. The material, data and/or information on this site are not intended to address any particular requirements; they do not constitute any form of advice or recommendation by JNCC and are not intended to be relied upon when making (or refraining from making) any decision.
- 3.4 If you find any inaccurate, out of date or incomplete material, data and/or information on this webGIS, or if you suspect that something is an infringement of intellectual property rights, please let us know immediately by [contacting JNCC](#) describing the data and/or information to which the issue relates.
- 3.5 The material, data and/or information available on this website are not substitutes for the exercise of professional judgement. If you are not qualified, or experienced enough, to make that judgement, you should seek professional advice for further information and advice.
- 3.6 You are responsible for ensuring that your computer systems are suitable to access and use this website and data. We do not guarantee that the digital data will be suitable for use with any GIS or any other computer software. We do not warrant that any material available through this website will be free from viruses or other code that might be harmful. You are responsible for implementing sufficient anti-virus and other security checks to ensure the accuracy of data input and output.

4 Third Party Goods and Services and Links

The material, data and/or information that others make available or link to through our website.

- 4.1 Any opinion, advice, statement, service, offer, or information or material given or made by any third party on this website, or on any site to which this website is linked, is that of the author or provider, and not of JNCC. We do not endorse, and we are not responsible for, the accuracy or reliability of, any such opinion, advice, statement, service, offer, information or material.

- 4.2 Where material, data and/or information on this website have been supplied by a third party, we do not control or endorse them in any way. All material, data and/or information supplied by third parties are made available in good faith but we do not (to the extent allowed by the law) accept responsibility for their accuracy or use.
- 4.3 We make no representation and give no warranty about any other websites or any opinion, advice, statement, offer, information or material on them. We have no control over their content or availability. We will not be liable for any loss or damage caused by or in connection with any use of, or reliance on, any information, materials, goods or services available on or through any other website.

5 Our Liability

The extent of our liability and that of our data providers.

- 5.1 We provide the information, data and material on this website free of charge. Whether or not we charge for it, it is provided on the basis that JNCC has no liability for that information, data or material.
- 5.2 We have no liability for the inability of anyone to access this website or any information or material on it, and we do not warrant that this site will operate without interruption.
- 5.3 We are not responsible for, and will have no liability for, any error or corruption or breach of security resulting from the transmission of any information or material over any telecommunications network.
- 5.4 We do not exclude or limit our liability for death or personal injury caused by our negligence or for any fraud on our part, or for any liability that cannot be excluded by law.
- 5.5 Subject to Condition 5.4, we will not be liable for any indirect or consequential loss, or for any loss of business, profit, revenue, goodwill or data, lost or wasted management time or the lost time of other employees arising from your use of this website or any information or material on it, or your inability to use it (whether that loss is direct or indirect).
- 5.6 All warranties, representations, terms, conditions and undertakings, whether implied by statute, common law, custom, trade usage, course of dealing or otherwise (including any implied warranty, representation, term, condition or undertaking of satisfactory quality or fitness for a particular purpose) are excluded to the fullest extent allowed by law by JNCC.
- 5.7 If the use of any information or material on this website is unlawful in any jurisdiction (because of your nationality, residence or for some other reason), that information or material is not offered. If you are outside the United Kingdom you must satisfy yourself that you are lawfully able to use any such information and materials. We accept no liability, to the extent allowed by the law, for any costs, losses or damages resulting from or related to the access or attempted access of any information or materials by anyone outside the UK.

6 General Information

Legal enforcement and jurisdiction.

- 6.1 No delay, neglect or forbearance on the part of JNCC in enforcing any of these MPA mapper webGIS Terms & Conditions will be, or be deemed to be, a waiver. Nor will it prejudice any right of JNCC.
- 6.2 If any of these MPA mapper webGIS Terms & Conditions are - for any reason - held to be unenforceable, illegal or in some other way invalid, the unenforceable, illegal or invalid provision will not affect the remainder of these MPA mapper webGIS Terms & Conditions, and they will continue in full force and effect.
- 6.3 These MPA mapper webGIS Terms & Conditions are governed by English law and is subject to the non-exclusive jurisdiction of the courts of England and Wales. The place of performance will be England.
- 6.4 No addition to or modification of any provision of these MPA mapper webGIS Terms & Conditions will be binding on JNCC unless made in writing and signed by their duly authorised representatives. "Writing" includes by e-mail.
